From

C. H. BRISTOW, Esq., B.A., I.C.S.,
Acting Inspector-General of Registration,
Bombay Presidency,
Poona ;

To

THE SECRETARY TO GOVERNMENT,
Revenue Department,
Bombay.

Poona, 19th May 1930.

Subject.—Administration Report.

Sir,

I have the honour of submitting my notes on the working of the Registration Act XVI of 1908 during the calendar year 1929 together with the statistical statements prescribed by R. 330-A., dated 15th May, 30th August and 22nd November 1923.

2. Mr. Mackie held charge of the Department throughout the year.

3. The total number of all registrations of the year under report amounted to 3,17,791 against 3,07,842 of 1928, an increase of 3.23 per cent. The increase is observed from the Districts of Kaira, Panch Mahals, Surat, Karachi and Aden and from all the Districts of the Marathi and Kanarese Divisions except Dharwar. This increase is generally attributed to the tightness of the money market which compelled people to borrow money on the security of their properties. The District Registrar, Kaira, ascribes the rise to the people having purchased new lands in lieu of the lands acquired by the Railway Company for construction of the new Vasad-Kathana line. The conspicuous rise in Poona and Satara Districts is attributed by the District Registrars to the recent Bombay Mill strike and riots. The considerable rise in the two Khandesh and Thana Districts and cotton growing parts of Nasik District is said to be due to a good cotton crop.

The remaining parts of the Presidency including Bombay show a falling off—which is more marked in Sind where it is due to the disastrous floods.

The temporary increase in 1928 in the Hyderabad District due to a great number of documents of Credit Co-operative Societies giving relief on account of the floods has ceased and this year there is a decrease of nearly 60 per cent.

4. Documents relating to immoveable property rose from 3,00,977 to 3,10,635 or by 3.23 per cent, but the average value per transaction declined from 1,004 in 1928 to 964 in 1929, which seems to indicate that property is still falling in value. In Bombay (the principal business centre) the average value per transaction of immoveable properties rose slightly from Rs. 19,504 in 1928 to Rs. 19,976 in 1929.

5. Compulsory registrations increased from 2,93,272 in 1928 to 3,02,752 or by 3.23 per cent. and optional registrations from 7,705 to 7,883 in 1929 or by 2.33 per cent.

6. Out of the two main classes of documents (*viz.* sales and mortgages) sales predominate. They have risen from 1,39,683 to 1,45,376, or by 4.07 per cent. The increase is marked in East Khandesh, Nasik, Belgaum, Bijapur and 4 D. A. R. Districts; while it is appreciable in the Districts of Kolaba, Thana and Ratnagiri. In other places where any increase occurred it was slight. Mortgages, which stand second in importance rose slightly from 95,218 to 96,420 showing an increase of 1,202 or 1.26 per cent.

7. Among other classes of documents gifts show an increase of 10.99 per cent. Perpetual leases 14.19 per cent and compulsory leases 5.36 per cent. Variations in the numbers of the remaining classes of documents are slight and are due to the usual fluctuations.

8. Documents relating to moveables increased from 4,756 (in 1928) to 4,934 (1929), *i.e.*, by 3.75 per cent.

9. Wills which were 2,097 in 1928 have risen to 2,217, *i.e.*, by 5.72 per cent. The number of covers (containing wills) deposited reached 200 from 164 in 1928 which means an increase of 22 per cent.

10. Refusals to register amounted to 487. There were 144 appeals and applications against those refusals. In 124 cases registrations were ordered and in 20 cases refusal orders were upheld by District Registrars. In four cases registration was ordered by Civil Courts.

10 (a) Applications for copies searches and inspections rose slightly from 24,667 to 25,034.

10 (b) Registrations under sections 25 and 34 have declined from 517 to 416; thus showing a decrease of 13.7 per cent.

11. Sub-Registrars working under the D. A. R. Act in the four Deccan Districts of Poona, Sholapur, Satara and Ahmednagar prepared 55,233 documents against 48,853 during the preceding year.

12. Nine thousand six hundred and fifty documents relating to C. C. Societies were registered during the year against 11,599 registered during the last year, which is a decrease of 19.49 or 16.8 per cent. A sum of Rs. 29,554 would have been added to the net income of the department, if these documents had not been exempted from payment of fees and fines by way of subsidy to co-operation.

13. Four declarations were filed under the Cutchi Memons' Act—3 in Bombay and 1 in Karachi.

14. Documents impounded numbered 599. In 336 cases duty and penalty were recovered; 119 were adjudged as duly stamped and 144 awaited disposal at the end of the year.

15. The number of Parsi Marriages registered was 569. Of these 415 or 72.9 per cent were registered by the Registrar of Marriages, High Court, Bombay. Thirty-eight marriages were solemnized under the Special Marriage Act against 23 during the preceding year.

16. The number of documents returned by post increased from 2,28,316 in 1928 to 2,45,322 during the year, *i.e.*, by 7.44 per cent. which is satisfactory. The system is very popular with the public.

17. The Inspectors of Registration inspected almost all the offices in their Divisions. The District Registrars inspected 153 Sub-Registry offices and the Prant officers 115 offices. The Inspector-General visited 3 offices. On the whole the inspection was adequate.

18. During the year Tagavi Bonds declined from 15,531 to 6,093.

19. Sale certificates granted by Civil Courts and Revenue officers increased from 3,548 to 3,975.

20. The gross income of the year came to Rs. 12,18,572 against Rs. 11,82,972 in 1928.

21. The expenditure amounted to Rs. 6,22,183 during the year against Rs. 6,16,640 in 1928. Besides this amount other expenditure on the following items is to be taken into account :—

	Rs.
Cost of printing books and forms and cost of rubber stamps	23,494
Printing in P. Z. P.	165
	23,659
Cost of Stationery	2,283
Rough rental value of Registration Offices ...	36,000
Rough proportion of pay of District-Registrars and Inspector General of Registration ...	58,180
Less—Credited by Land Records Department to Registration Department for C. T. S. work ...	1,235
Total ...	1,18,887

Thus the total *pro-forma* expenditure amounted to Rs. 7,41,070 against Rs 7,29,192 in the preceding year. Deducting the above expenditure and refunds (4,634) from the total gross income, the

net surplus of the department comes to Rs. 4,72,868 against Rs. 4,48,931 in the preceding year, thus showing an increase of 5.3 per cent.

22. Owing to frequent transfers of Aval karkuns, the Gogho system did not work as satisfactorily as it should in all places. For this reason some District Registrars prefer to appoint full-time Sub-Registrars in place of Ex-O. Sub-Registrars or to arrange periodical visits of the nearest Sub-Registrars to such places. The system has been extended to Peint in Nasik District (R.-2044/28, 25th April 1929). The results are being watched.

23. Umarkot Ex-O. Sub-Registry office has been amalgamated with Jamesabad under R.-3249/24 of 28th September 1929. To avoid inconvenience to the public of Umarkot periodical visits to that place have been ordered.

24. The Piece Work system of copying, where employed, is reported to be generally good for prompt disposal of copying work. However some District Registrars find that the Sub-Registrars prefer temporary karkuns on a monthly rate of pay as they are neater and more accurate than piece workers, and the District Registrar, Belgaum, finds that piece work is not economical.

25. The Photo-copying by film process has been working far more successfully and satisfactorily. Photo prints by the new process are quite distinct and clear and there are no complaints now about clearness of prints or smallness of size. But owing to the restriction on the extension of the photo system the unit in the Photo Registry Office remains under-employed during the slack months.

In order to reduce the cost to Government in the slack season work is done for institutions and the public generally, and these are signs that the system is growing more popular as it becomes better known. It appears that the Madras Government is also adopting the system experimentally.

26. The duties of C. T. S. Maintenance Surveyor except those of technical measurement and map correction work were done by eleven Sub-Registrars, and twenty-eight Sub-Registrars were employed in posting mutations due to registered transactions in the P. R. during the year. The system on the whole worked well but a majority of Registering officers were not in favour of the work and expressed dissatisfaction.

27. There were in all three prosecutions, one under Stamp Act and two under the Registration Act:—

(1) *Bombay*.—An executant of a document was prosecuted for forgery, using a forged document as genuine, abetment thereof and presenting the same in an assumed character. The case remained undecided.

(2) *West Khandesh*.—There was one prosecution for presenting a document for registration by a wrong person. The prosecution failed as the witness turned hostile.

(3) *Thana*.—There was one prosecution for under-valuation of property. The case remained pending.

28. I have had no experience of the office yet, but understand that it did good work under the Head Assistant Mr. Parikh up to 6th September 1929 and from that date under Mr. Bhatt.

Your most obedient servant,

C. H. BRISTOW,

Acting Inspector-General of Registration.
